

## EC Certificate of Factory Production Control

### Certificate No. 0086-CPD-597465

In compliance with Council Directive 89/106/EEC of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (the Construction Products Directive or CPD), as later amended, it has been stated that the construction product

#### Concrete Flue Liners

placed on the market by

#### Dunbrik (Yorks) Ltd

172 Ferry Lane, Stanley, Wakefield, WF3 4LT, United Kingdom

and produced in the factory

172 Ferry Lane, Stanley, Wakefield, WF3 4LT, United Kingdom

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and that the notified body No. 0086 British Standards Institution has performed the initial inspection of the factory and of factory production control and performs the continuous surveillance, assessment and approval of factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the harmonised European Standard

#### EN 1857:2010

were applied and that the product fulfils the prescribed requirements.

This certificate remains valid as long as the conditions laid down in the harmonised standard in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

For and on behalf of BSI, a Notified Body for the above Directive Notified Body Number 0086.
